DR. ELISABETTA COTTI, IADS ALUMNI

Letter FROM THE **PRESIDENT**

Dear reader,

Dear IADS Magazine readers, IADS member students and fellow young dentists,

I cordially invite you on the enthralling read that is this second edition of the IADS Magazine for the 2022/23 term.

I applaud the zealous work of our Editorial Board, be it their assorted topic selection or the beautifully crafted designs, culminating in this fruition under the diligent leadership of our Vice President of Public Relations, Dr. Kristīne Romanovska.

As you go through the magazine, you'll notice that this array of topics is the perfect amalgamation of the antique and the modern, infused with knowledge and amusement; where we made sure you didn't miss out on the inside scoop of our latest congress experience in Northern Cyprus MYM nor our various programs worldwide - exchanges, oral health campagins, research and what not!

Diving into this experience, you'll get to learn about the ancient roots of our profession in our newest section *Dental Museum*, most recent developments in contemporary topics, tap into your self-awareness with IADS Lite and get inspired by the wisdom and wordly knowledge of Dr. Elisabetta Cotti, our esteemed IADS Alumni bringing IADS stories from the 1980s!

To heed Dr. Cotti's advice of taking a chance at all opportunities in life, don't miss out on this indispensable read whether you're on your way to your vacation destination or already under some splendid sun!

Always looking forward to meeting you in upcoming IADS events!

Letter FROM THE VICE PRESIDENT OF PUBLIC RELATIONS

Dear reader,

With the great pride I present you the second issue of IADS Magazine of 2023.
I am proud of this final result we have achieved and it would not be possible without the IADS Editorial Board.

For this issue the Magazine team did a great job in bringing up the most interesting, diverse topics in dentistry: from history to nowadays.

In the IADS Experience section you will find engaging stories from our projects. Inspiring articles that will make you want to become part of IADS family in the nearest future, no doubt in that!

I am glad to announce the newest section called *Dental Museum,* where you will be able to loearn more about the development of the field of densitry throughout the centuries.

In this issue we are continuing to inspire our students and bring interesting personalities. Dr. Elisabetta Cotti served in IADS in the 1980s and still has warm memories about the organization, as well as strongly encourages students to take every opportunity thay comes your way!

I would like to say thank you to every Editorial Board meber and espacially the Magazine team for their hard work and contribution in making this issue!

Have a pleasant reading, see you soon in IADS events!
